Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

Dear Fellow Parishioners,

My thanks to all who helped make last Sunday’s Scout Mass so meaningful. Scouting is a very important leadership-building program, and as they move up through the ranks they are preparing to take leadership roles in adult life. Let’s continue to pray for the Scouts that they may persevere in Scouting, and for the adult leaders who mentor them on their Scouting journey.

This coming Wednesday, February 14th, is Ash Wednesday, the beginning of Lent. We will distribute ashes at each Mass after the homily, as well as during a Scripture Service at 4:00pm. Traditional Stations of the Cross will follow the Friday noon Mass. There will also be Friday evening Stations of the Cross at the Chapel of the Good Shepherd, conducted by our various ministries. A reminder about confessions: we offer this wonderful Sacrament of Reconciliation after each daily Mass and many of you already avail yourselves of this convenience. Please do not wait until the last minute during Holy Week to get your halo polished; come early, come often, and make this Lent a powerful time for inner conversion of heart!

Lent is a time for ‘penitential practices’ whose purpose is to help us to restore balance in our lives, both physical and spiritual. Some of those practices are fasting and abstinence. **Fasting** generally means consuming less. **Abstinence** means doing without entirely. Usually we use the word abstinence when we mean ‘not eating meat.’ Fasting and abstinence are two sides of the same coin, so to speak, and are mainstays of the season of Lent. They are meant to help discipline our bodies (and our minds) to rely less on the things of this world. They help us realize that ultimately, all good things come from God and it is upon Him alone that we depend for our life and our salvation.

**Ash Wednesday and Good Friday are days of fast and abstinence. All Fridays during Lent are days of abstinence.** Fasting means the taking of one full meal during the course of the day. Other sustenance may be taken, the combined amount of which should not amount to a second meal. Fasting applies from ages 18 – 59 inclusive. Abstinence from meat (including poultry) obliges from age 14 onward. There is a serious obligation to observe these penitential practices in a substantial way. Those whose work or health would be impaired are excused from fast and abstinence, but are encouraged to perform some other penitential practice in their place.

Although fasting and abstaining obliges only on Ash Wednesday and Good Friday, we are encouraged to follow the Lord’s example and practice it in a more substantive way throughout the season of Lent. At first, it may look like an overwhelming task, but if we make good decisions about what and when we will eat and drink, we can make Lent a time profitable to our salvation. Perhaps we could start by not eating between meals. Perhaps we could fast from junk food and eat healthier foods. Perhaps it is a good time to forego our cocktails or cordials. Perhaps we can give up our desserts. Perhaps we can eat meat less during this season and choose grains and vegetables, as do so many of our brothers and sisters around the world. Lent is a good time to fast from the time spent in front of TV or computer screens and use it instead to read some Scripture, a spiritual book, or something on the lives of the saints. Perhaps we could go for a walk and appreciate more fully God’s gift of nature, and thank Him for it. Perhaps we could use the time to do something helpful for someone else. Perhaps we could use the time to pray (hint, hint) !!! It is not the end goal simply to give something up just for the sake of giving it up; the real purpose is to free us from one thing so that we now have the time and ability to do something for others. Lent is a good time to help us shift our focus off ourselves and toward the needs of others. Try it -- you'll like it!

A parting chuckle:

```
I’ll never understand those phones that buzz and beep and blink,  
and videos and all those cords make me too confused to think. 
In spite of what the kids say I may never learn to text, 
or talk into computer screens or whatever trend comes next. 
It seems a bit impersonal to communicate by e-mail, 
  But I know just how to talk to God -- by using knee-mail!
```

With prayers and love,

Fr. Brian

TRY CENTERING PRAYER THIS LENT. WHY CENTERING PRAYER?

Centering (Contemplative) Prayer involves consenting to God’s presence and healing action within you and sitting in silence for about 20 minutes, while letting go of your distractions and remaining open to God’s unconditional love. This method of prayer involves a movement beyond conversation with God toward communion with God.

More specifically, Centering Prayer is a practice of self-emptying. It is letting go – of our attachments to our ego, self-image, control, judgments, expectations, and feelings. Though life itself – through great love and suffering – is often our most powerful teacher in these respects, Centering Prayer is a daily, small death to false self and ego. It makes space for the uncovering of our deepest, “True Self,” allowing it to gradually rise from the ashes of our partial and protected self and to deepen our relationship with God.

We invite you to join us for Centering Prayer any Thursday 7:30-8:30 PM in the Spiritual Direction Room off the Parish Center Lobby. Everyone is welcome. For more information contact Jeanne Marie Gagnon at 914-271-1405 or John Lally at 914-271-5628 and/or go to http://www.contemplativeoutreach.org/.
