Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

UP-DATE FROM FINANCE COUNCIL*
In our current fiscal year (9/1/18 - 8/31/19), regular weekend collections through June 28 total $408,870 as compared to a budgeted total of $435,000 for the period;
The Council spent the last two months working on three drafts of the parish budget for the next fiscal year, 2019/2020. The final budget as submitted to the Archdiocese reflects a projected deficit of $14,200. In comparison with this year's budget, next year includes a decrease of 3.8% in regular weekend collections, and expense reductions in several categories including the Montessori program, Religious Education and lay/administrative salaries and fringes;

Among those expenses beyond our local control and mandated by the Archdiocese, almost $100,000 was included for 1) the support of Archdiocesan schools and 2) for the cathedraticum tax levied by the Archdiocese on every parish's income.

Sunday Notes 7
From isolation and loneliness to solitude.
There came a time in my life when I was sent on a mission to the tribal people in western part of India. Here there was nobody who spoke my language, nobody from my cultural background and not much contact with the rest of the world. I did not even have a phone. All I had was a deep well of water on the patch of land that was donated, and so I built for myself a small tiny shelter to keep me safe from the elements and the wilderness. Some women from the nearby village were using this well for their domestic needs and so they became my first friends and we tried to build up a relationship. I guess that my presence there at the well was an announcement to all the humans around that I was present. I had come and I wished to know if there were other humans around. So as they came I heard their vibrations announcing to me that they were there and so there we were placed together by the unknown forces of the universe.
I learned to spend long hours all by myself, enveloped by silence, immersed in darkness as the nights fell and the insects and rodents found in me a good source of acceptance. In their own way I also understood that they too were announcing to me that they were there and that they stood by me in my isolated loneliness. Because of the constant buzzing of mosquitoes and other flying insects I used to walk outside my hut in the dense darkness where the stars seemed to be so very close. As the days turned into weeks and the weeks into months the stars began to tell me that they were there. It began to dawn on me that everything and every being in the universe by the very fact that they existed was proclaiming to the silent emptiness: “I am here. Is there anyone else around?”
Imagine a whole universe made up of beings animate and inanimate that is proclaiming that they are present. If all of them could only be heard? There would be nobody feeling isolated and lonely. I began to respond to the proclamation and sending out vibrations to the universe that I was there and I was listening and they would always have me as a part of their very being. This was what brought about in me a transformation from feeling isolated and lonely, to openness to learn from deep within me that solitude was a gift given to me. It was a learning that I could be alone but need not be lonely. So one day when I was visited by people from the outside they felt sorry for me and asked me how I could live such a lonely life and without a pause to think about what I was to reply, I said to them: “I love the solitude.”
That communication of, “I am here” from the universe and my response to that created in me a deep sense of spaciousness, I began to understand that there is only oneness, and that took me further into the understanding that the Father and I were one.

The Health, Safety and Security Committee of the HNM Pastoral Council...

... is updating policies and procedures for emergencies in the church, gymnasium, chapel, parish center building and parish house (rectory). If you have special skills, training and experience in coping with medical emergencies (doctors, nurses, medical technicians), fire emergencies (firemen and women), or security breaches (police officers, military personnel), we invite you to join the HNM Immediate Responders.

If you are willing to use your skills during emergencies at HNM, and could attend occasional training or refresher sessions, please call or text Tom Faranda (914) 924-2061, or email Maureen Poh Fitzpatrick (mbp9@columbia.edu), and tell us that you would step up and serve the HNM community in those potentially life-saving minutes before Croton Police, Fire or Emergency Medical Services can arrive and take over. Training sessions are anticipated later this year.

The **Poor Box** in the lobby areas of Holy Name of Mary Church, and at Good Shepherd Chapel, is a very special Box. It supplies the resources the Parish needs to continue to assist the needy in our Parish. Food and grocery cards are distributed monthly to those few local people who need a bit of help. SUMMER BLOOD DRIVE

You don’t need a special reason to give blood. The need is constant and your donation is important for maintaining a healthy and reliable blood supply. You’ll feel good knowing you’ve helped change a life! A summer blood drive will take place at the Ottinger Room of the Croton Free Library, 171 Cleveland Drive on Thursday, July 25 from 2:30 to 7:00 p.m. Appointments can be made by contacting crotonblood@gmail.com or 914-862-0199. Walk-ins are welcome. The drive is sponsored by the Croton Community Blood Program and the New York Blood Center. Those who donated at Croton Harmon HS on May 5 are able to donate again on July 25.

Blood Drive in Pleasantville July 31:
Get a great summer t-shirt!

The Pleasantville Volunteer Fire Department and the Pleasantville Volunteer Ambulance Corps will be hosting a Summer Blood Drive at the Pleasantville Fire House, 75 Washington Ave, on Wednesday, July 31 from 2:30 pm - 8:30 pm. Since it is also difficult to organize community drives during the summer, blood donors from all towns are welcome to come to lend their help.

During the summer, it is more difficult to maintain an adequate supply of blood products: schools and corporations have less drives, and people are away from home more than usual. If the need for blood were to spike due to any reason, lives could be lost if supplies are not on the shelf and blood needs to be shipped in from other areas.

To thank donors for helping, the NY Blood Center is offering anyone who comes a great summer t-shirt to wear proudly. Student donors (16-19) will also be given a $15 Gift Card to Dunkin’ Donuts.

For questions regarding eligibility (travel, medications, last donation, etc): call (800) 688-0900. Sign up on-line at www.nybloodcenter.org/donate-blood/ or call (800) 933-2566. Although it is helpful to let the organizers know in advance that you plan to come, walk-ins are always accepted.
