Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

Dear Parishioners,

We have moved away from the Christmas season and now we begin the ordinary routines that we had temporarily cast aside. We move back again to the field of co-workers, colleagues, school, commuters and grocery stores. We move back into our community. This may cause our hearts to move in a different direction. We re-enter deeply into what is going on in our society and focus on its needs. We look again with compassion on society as we struggle to build a genuine community based on Gospel ideals. (Repent! The kingdom of Heaven is at hand.) Each of us now, should feel the call as a parish to confirm our commitment to Christ who is the Way, the Truth and the Life (John 14:6).

We may feel overwhelmed by the trends in today’s world. Let us be aware of the Popes who have guided the Church during our life time. Truly we have been blessed by Popes who have been holy. They played their role as spiritual guides to the world leading the Church with genuine concern and wisdom. They proclaimed the Good News and one of them has been proclaimed a Saint. They have not surrendered to evil. Evil will not overwhelm us if we live the Good News.

As our society gets entangled with digital technology, we see the erosion of human, family, cultural and spiritual values. Yet there is a way to neutralize this and that is by the family getting into intimate and meditative forms of sharing the Beatitudes. By this the family enters into a lived Christian experience that then goes on to strengthen them in the proclamation of the Gospel. This parish truly needs every family to be supportive of the mission of the Church. “If something should rightly disturb us and trouble our consciences, it is the fact that so many of our brothers and sisters are living without the strength, light and consolation born of friendship with Jesus Christ, without a community of faith to support them.” (Joy of the Gospel, Pope Francis)

Forming communities of faith is a key challenge for our mission in the present secular era. Coming from a third world country, my parents and my peers received the Gospel message from the Irish Jesuits, the Portuguese clergy, the Italian Salesians. The western world sent their missionaries to the third world and they taught the East to live authentically the Gospel values, but now we are experiencing a reverse mission where missionaries from the East (Filipinos, Africans, Indians) are ministering to the West in need of clergy. It shows us how far our society has strayed from the Gospel.

There will always be difficulties and there will always be a shortage of time to sow the seed to our community. Jesus’ parables on how the seed of faith and love can grow—despite the birds of the air, the hard soil and the choking by thorns—gives us a picture of how it is possible to have a Christian harvest in our age. In Matthew 13:24, Jesus tells us that the good seed is sown by you “a man”, and the enemy (secularism) comes at night and sows the weeds and goes away. But we persist, to allow the good seed to take deep root in our hearts and in the hearts of out society. Keeping our soil ready to receive the seed also means that we help others to prepare their soil to bear much fruit.

Yours in Christ,

Fr. Nelson Couto

Wednesday, January 22 is the 47th anniversary of the legalization of abortion through the **Roe V. Wade & Doe V. Bolton** decisions. As was highlighted by the partial birth abortion controversy, these decisions legalized abortion throughout pregnancy.

The annual Washington DC MARCH FOR LIFE, will be held Friday, January 24th. As we have for 27 years, The Respect life Society will be co-sponsoring a bus that will leave from St. Augustine School in Ossining. Beside walking up Constitution Avenue, we will be lobbying our congressional representatives to make our views on the unacceptability of abortion on demand known to them. To a great extent, The MARCH FOR LIFE has morphed into a huge youth rally – if you want to see the future of the Church consider travelling with us!

We are asking for a $30 donation for the bus but will cover the cost of anyone who would like to make the trip. And students travel for free. If you are unable to travel with us, please consider making a donation toward the cost of the bus.

Call Brigid Faranda (271-4598), Jessica Dieckman (564-2974) or Judith Anderson (271-4627) for further information or to sign up for the bus.

WWP Connect Coffee Talk: Your Heart—You Are Captivating

In this world of noise and busyness, it is hard for women to find the time to give ourselves a little attention. Please join us for a talk and discussion to remind us of how precious we are to God and that His love is unconditional. He is captivated by each one of us - not because of what we do or what others think of us but simply because we are His precious daughters. No experience necessary, just come as you are for some coffee and a chance to see what Walking with Purpose is all about!
