Holy Name of Mary
is a Roman Catholic
community of believers
who are dedicated to
know Christ and become
Christ, each one, for the
sake of all. As disciples,
we are called to create an
environment where God
is worshiped and where
we serve our neighbor.
Our warmest welcome
to all who celebrate the
Eucharist with us! We thank
God for your presence at
Holy Name of Mary and we
pray for you and your
families.

**Mass Intentions**
We are still taking requests for Mass Intentions and Cards if you would like a Mass said for a loved one. We are now asking for $20 per Mass.

Please email requests to parishsecretary@hnmcchurch.org

**Pastoral Council looking for new members as we look to the future.**
Our Pastoral Council is “a consultative body advising the pastor” as well as “a voice of the parishioners to the pastor” (From the Pastoral Council Constitution). The Council year ends in June, so we are in need of two or three new members to replace those whose terms are ending. The PC meets eight times a year and there are several committees within the council, which some members serve on. We believe the Council is an important vehicle in our parish and ask you to consider seeking membership.

Please contact either:
Carl Barnes - carlbarnes12@gmail.com, or Tom Faranda, tgfar@aol.com or cell 924-2061.

**Religious Education Registration**
Religious Education registration materials have been mailed for the 2020/2021 school year. We are awaiting word on what protocols we have to follow and when we are allowed to gather. In the meantime, please return the form and tuition. Thank you!

**Equal Exchange (Fair Trade) products** have been moved from The Parish Center to Mary and John Lally’s House. If you are interested in purchasing any products we usually sell (coffee, chocolate, nuts, teas), please call John or Mary at 271-5628. (This would be done through a contactless transaction.)

**Sing along for Sunday Mass**
For anyone who would still like a “Breaking Bread” Mass book, copies have been placed outside the Parish Center together with the latest issue of "Catholic New York".
**Restore the Bells at the Good Shepherd Chapel**

The carillon that controls the bells at the chapel stopped working in early March. Since then the bells have been silent. Especially at this trying time, it would be wonderful to have inspirational music playing for our parishioners and the community. The manufacturer has determined that the unit is not repairable. That unit worked flawlessly for over 20 years. The cost of a new carillon is $4000. Please consider donating to this worthy cause or perhaps memorializing a gift.

**The New York Blood Center has scheduled two blood drives on Thursdays June 11 and 18 from 10 am to 4 pm at the Croton Municipal Building.** Appointments are highly recommended and protocols outlined in the attached flyer will be followed. Call 800-933-2566 or use the sign up link below.

**Croton Blood Drives @ Croton Municipal Building Community Room**

To remain in compliance with the federal guidelines for social distancing, appointments preferred. Walk-ins welcome if drive capacity permits.

**HNM Cook Book**

Dear Holy Name of Mary Community,

During the past few difficult months, we have all been cooking and baking. These efforts are often a labor of love, and we know we have many talented chefs in our community. Sharing recipes is a wonderful tradition, and we need yours! Our church is publishing a cookbook featuring the best recipes from our parish and our Croton neighbors. We would love to include some of your favorite recipes particularly ones that are tried and true and easy to make. Please share 3 or 4 of your best recipes so you can be represented in our treasured cookbook. Your name will be printed with each of your recipes. Each cookbook will be professionally typeset, printed and bound. All profits will go directly to support our Holy Name of Mary Community. We anticipate a great demand for these keepsake cookbooks, and we want to be certain to order plenty. We would appreciate it if you would indicate how many cookbooks you would like us to reserve in your name. Remember to reserve enough for your family and friends as these books will make great gifts. You can do this at the time you submit your recipes by filling out the information below. We will be sure to have your copies ready when they arrive from the printer. Thank you in advance for your participation!

This year’s Bread for the World’s Offering of Letters, in the midst of the COVID-19 pandemic, is urging Congress: 1. to increase domestic nutrition funding; and 2. to provide U.S. support for a global response to combat COVID-19 and its devastating consequences.

Due to social distancing requirements during the pandemic, this year our Offering of Letters is being conducted online, using e-letters.

Please join us in this advocacy by sending 2 e-letters to our Senators Schumer and Gillibrand and Congresswoman Lowey. It’s simple. To do so just click on – or copy into your browser -- each of the following, one at a time:

- International Nutrition Offering of Letters sample letter
- COVID-19 response sample letter

Then for each of the 2 e-letters that opens, fill in your required contact information, personalize your message a bit (if you can), and with one click each letter will be sent to our 3 U.S. representatives!

This is the 42nd year that the 4 Croton churches are jointly participating in the Offering of Letters. Please take a few minutes now to be part of it!

(Note: The 10520 ZIP code for Croton is split across 2 districts. To send your e-letter to your proper Congressperson, you’ll need to provide the additional 4 digits of your complete ZIP+4 code (Mine is 2815). If you do not know your full ZIP+4 code, you can consult the US Postal Service (opens a new window).
How to Live a Truly Sustainable Life

By Karl Coplan, Esq., Director of Pace Environmental Litigation Clinic

SUNDAY, June 14, 2020, at 3pm

Can we live within a sustainable carbon footprint and still live well?

Karl will share his personal journey to cut back on carbon, discussing the joys and challenges of a year on a truly sustainable budget -- kayaking to work, hunting down electric charging stations, eating a Mediterranean diet, and traveling & vacationing, while avoiding long distance flights.

Presenting the pros and cons of different energy, transportation and lifestyle options, he will discuss how to set a personal, sustainable carbon cap, and how to track and measure your success.

Karl does not believe there has to be a tradeoff between ethical obligations and a fun & fulfilling life.
