Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

FOURTH SUNDAY IN ORDINARY TIME

First Reading: Deuteronomy 18:15-20
Moses explains to the people that a prophet will come from among them, and that they should listen to this prophet’s words, for God has told him of this prophet. God also tells Moses that anyone who pretends to speak in his words, or speaks in the name of other gods shall die.

Second Reading: 1 Corinthians 7:32-35
Paul tells the Corinthians how an unmarried man or woman is able to devote themselves fully to God without concern for the needs of a spouse. Paul explains that God wants to help them promote good and devote themselves more fully to God.

Gospel: Mark 1:21-28
As Jesus was teaching, a man with an unclean spirit came to the synagogue and asked if Jesus had come to destroy them. Jesus ordered the spirit out of the man, who shrieked violently as the spirit departed. The people were amazed at the authority he had over the spirit.

The Care for Creation Ministry will be hosting a Sustainable Sunday Speaker Series event on **Sunday February 14 at 3:00 pm – 4:15 pm** entitled **What’s on the Menu? The impact of our food choices on the health of the Earth.**

Local girl who made good, Julie Sinistore, PhD, a Sr. Project Director on the Sustainability, Energy, and Climate Change team at the engineering consulting firm WSP will be our presenter. She will focus on:

- How do our food choices impact the environment?
- What food choices can we make that substantially reduces an individual's impacts on climate, water consumption, water quality and many other environmental impacts?
- What more can we do to examine and reduce our impact on the environment to ensure that all the Earth’s creatures enjoy a sustainable home on this planet we share?

Dr. Julie will examine the impacts of food choices from production through consumption and provide information based in scientific research to help answer these questions and dispel myths about food and sustainability.

Please be part of the online Zoom presentation by logging onto [https://fordham.zoom.us/j/99964223882](https://fordham.zoom.us/j/99964223882) at 3 pm. The presentation will start shortly thereafter. Login at 2:45 and chit-chat with fellow attendees.

Recordings and slides from past Sustainable Sunday presentations are available for viewing on our website [www.hnmcare4creationministry.com](http://www.hnmcare4creationministry.com). Go to the More menu on the upper right and select Resources.

A flyyer for this presentation is available on-line as well.

**Fair Trade Products 🍵**

Once again, we are offering the opportunity to purchase Fair Trade products we have previously sold. These products would need to be purchased in boxes, not individually. Holy Name of Mary has been one of the biggest sellers of Fair Trade products over the last 16 years. This past December we sold over $1100 worth of products. Covid-19 continues to impact the small farmers from around the world who rely on the sales of these products to make a fair living for their families. We would like to continue to support these farmers.

If you are interested in ordering or have any questions, please call John or Mary Lally ( 271-5628) or email/call Ellen Camillieri ([emc709@aol.com -271-5335](mailto:emc709@aol.com)). We encourage you to check our [website](http://www.hnmcare4creationministry.com) for prices and products. **Orders must be placed by Monday, February 1.** Pick-up/delivery can be contactless.
