Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

### PALM SUNDAY OF THE PASSION OF THE LORD

**First Reading: Isaiah 50:4-7**

Isaiah describes the pain and insults of the Servant of God. Yet he sounds hopeful when describing God as his help, knowing he will not be disgraced.

**Second Reading: Philippians 2:6-11**

Paul exults Christ’s great sacrifice of humbling himself to become human and die on the cross. He explains that this is why we should now realize the importance of honoring both his name and memory.

**Gospel: Mark 14:1—15:47**

Mark describes the events leading up to Christ’s crucifixion. The Last Supper is described, explaining where the Eucharist began. Judas betrays Jesus and his suffering at the hands of the Sanhedrin (Council) is detailed.

We cannot live if we are too afraid of dying.

Jesus by His life and death teaches us to live without fear. As a man, He understood that we are swimming in a lake of fear. The fears that we have, we carry every moment of our lives. We are like rabbits running into our burrows for safety and remain there till the cause of our fear has passed. Even the most powerful people live in the fear of their power being usurped. Many of us live a life of comfortable numbness. We are partially dead long before we really die. The greatest fear that we have is the fear of death. Jesus came so we may have life and life in abundance. He shows us how to do this and so He lived, really lived every moment of His life. He did not allow death to overcome him. In fact He voluntarily accepted death and so He thundered from the cross. “Father, into your hands I commend my spirit.” He then, “Handed over His spirit.” John 19:30. Death did not overcome Him, instead He willingly entered death.

He teaches us how to live an abundant life: The greatest perfection we can reach is when we strive to profoundly love not only the Source of all being but also every being created by this Source. Let us learn from Him and make certain decisions for ourselves.

1) That every Being is good, innocent and pure no matter how vicious, malevolent and malicious they appear to us. There is no evil and there is nothing wrong with any Being since all Being has been declared good by the Creator, who created all Being from Himself. If this is so, then we have no reason to fear evil from anybody. It is with this sentiment that he declared all Being as innocent, “Father, forgive them for they do not know what they are doing!” Luke 23:34.

2) Therefore, this way of comprehending every Being as lovable, brings out from within us not fear but love, not condemnation but attraction, not separation but unity. These are the seeds of joy and peace. This gives a meaning to our lives, because now we no longer live solely for ourselves but we divert all our energies to loving and wanting the highest good for all beings. That is how we live only for love and to love. This is what is known as living the truth and the truth then sets us free from all fear.

3) We begin to treat everything else as meaningless. We continually strive to replace everything in our lives with something better. We take charge of our present and our future. Life now is transformed as we become dispensers of love. We await every Being and welcome them as we long to do the best that we can for them. We do not just feel like doing good and performing acts of love. All our thoughts, words, feelings and actions flow from the Beings that we are. Now every Being waits to be fed by us. We nurture them to reach the highest level of their potential and we give it freely and gladly. Jesus taught us this by telling us to, “Take and eat, this is my Body, take and drink, this is my blood.”

We by our lives and our time on this earth continue the work and mission of Christ so that at some point we can confidently say, “I now no longer live, Christ lives in me.”

Yours in Christ,
Fr. Nelson Couto

Eagle Scout Project: Fencing & Benches for the Good Shepherd Chapel Court

My name is Mitchell Considine. I am a Life Scout in Troop 28 Croton who is working on his Eagle Scout project. My project will entail the installation of new fencing and benches by the basketball court at Good Shepherd Chapel on the corner of Benedict Boulevard and Young Avenue. This will help get the court ready for CYO use for practices and games, as well as for recreational use by the community.

This project will complement the ongoing court renovation that the Church is undergoing, creating a more pleasurable experience for both players and onlookers. The fencing will also help keep the basketballs from rolling into the street, as it is going to be extended and will be closed off in the corner, which was a safety issue. In total, the cost of funding this project is approximately $4,800. This is because the fencing will be about 200ft long and set in concrete. Also, the benches will be aluminum 15ft team benches with backs.

As a part of my responsibility for leading this project, I need to raise the funds to cover the entire cost of the project. So, I am asking for your help. If you would like to donate, please see the details below. Overall, this will be a project not just for the Holy Name of Mary Parish, but for the community as a whole. Thank you very much, and please contact me with any questions.

On March 16, Loaves & Fish delivered its 10,000th meal during COVID.

Prior to the pandemic Loaves & Fish volunteers cooked and served community dinners at Trinity Church in Ossining. But with COVID we changed our model to meet our neighbors where they were: sheltering at home and anxious. On April 11, 2020 we began delivering our home-cooked meals to our guests’ homes.

This ministry is a community-wide effort, with people coming together from all over, to be of service to our brothers and sisters for the sake of God. 90 cooks have volunteered their time, talent and treasure to cook nutritious meals over the last year. Many of our cooks live in Croton; others hail from Briarcliff, the Bronx, Buchanan, Chappaqua, Cortlandt, Irvington, Ossining, Peekskill, Pleasantville, Sleepy Hollow, Tarrytown and Yorktown.

Donations from Holy Name of Mary parishioners and other members of the community have enabled us to purchase ingredients and the ‘take-out containers’ in which the meals are delivered. Loaves & Fish also partners with two Ossining-based non-profit organizations: Gullotta House coordinates the delivery drivers, and the Ossining Food Pantry provides bags of groceries that are delivered along with the home-cooked meals to our neighbors in need.

Loaves & Fish was founded by Holy Name of Mary parishioners in 1993.
