Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

A New ERA. A New Direction. A New You and Me.
You are the salt of the earth and the light of the world

Why do humans dream? We dream of being better, of having more and enjoying our lives. It is true that the majority of human beings sense some dissatisfaction with the way their lives are and they also feel deeply that they have a lot of potential to be much more perfect than they are at the juncture of life they are currently in. Isn’t that the reason that we take resolutions now and then, to change, to cast away some aspects of our personality and to strive towards the perfect being that we could be. But exactly what is the perfect being that we are striving to be? So many spiritual masters have tried to point out to us how to find exactly who we are. Actually we do not have to imagine and struggle to find who we could be, rather we are custodians of the revelation that Christ, the Son of God has declared about us, i.e. we are the salt of the earth and the light of the world. If we accept this definition of ourselves then we do not have to strive to learn who we are, we have to search why it is that we are blind to our own reality, rather we have to discover the reasons we are walking in a fog which does not allow us to discover who we are.

Now that we are aware of the truth of who we are, we begin to uncover the shackles that bind us and impede our movement to being the “salt” and the “light”. Seeing you moving towards the perfection within you is the essence of the positive emotion that nourishes us, it is this emotion that propels you to shed your bonds and move on. Once you set your sights on the goal and aspire towards it, you are set on being the salt and the light. You don’t have to get to the goal, you just have to aspire to the goal and move onwards to the goal. As you get on with the journey to being the salt and the light the goal seems to be receding and seems to be always beckoning you to reach out to it.

As we proceed onwards, the goal seems to get more and more meaningful, the journey seems to be never ending, and sometimes this causes us to break our resolutions and tempts us to walk in familiar fog. On the other hand, we could begin to know what it means to be the salt and the light and then you are surprised at what your expedition into your very being reveals to you. You get better and better as you go deeper and deeper. The game never ends because if it ends you have to reset and start over again, we are not in a finite game but involved in a game that is as eternal as our being. We are in an infinite game of renewal of life forever. This is because we are eternal beings.

When we look at our past we remember much more vividly the challenges we have gone through and we feel good about that. One of the modern day ideas is that you’ve got to accept yourself as you are; if we follow that, then we take away the very game of life we are supposed to play, we are what our Father has created us to be and not what we and all that is around us have told us about ourselves. We just are not meant to be as we are, we are meant to strive to greater and more perfect that what we see ourselves to be at the present moment; we have to separate from ourselves all that binds us and strive to be the salt and the light that we already are. We are ones that are born to constantly redeem ourselves and while doing that we are also the ones who are constantly judging ourselves as we see the distance we still have to cover. That is why Christ is both Redeemer and judge. We are and will forever be the salt of the earth and the light of the world.

Yours in Christ,

Rev. Nelson Couto

Loaves And Fish Ministry Update
A Thank You Letter to The Cooks from Fiona Matthew

Dear All You Exceptionally Fine Cooks,

The final home delivery of Loaves & Fish meals was on June 8.

We have faithfully cooked thousands of meals (11,700 to be exact) for our neighbors in need over the last 14 months, supporting those with COVID, quarantined, seniors and others at high risk, stay home and stay safe. Now though, the crisis that had us leaping into action is subsiding (YAY!) and over the last months the need we helped to meet has declined substantially.

Thank you all for a job so very well done. And the fun we had doing it.

The plan is to return to our traditional Loaves & Fish model of community dinners in the Trinity Hall. But Ken Gmoser & I feel it is a bit premature. We need some time to watch how things develop societally so that we can put protocols in place that make sense. For this reason, Loaves & Fish is taking a summer break, from the middle of June until September. We will not be providing meals between June 9 and after Labor Day.

Guests in financial need will be cared for during our break. (Although they won’t get our delicious home-cooked meals) groceries will be available to those in financial need via the Ossining Food Pantry, St Ann’s Church, the Star of Bethlehem Church and other grocery distribution sites. The Village of Ossining also provides hot lunches to seniors.

I really hope that you will remain with the program. Our one fear is any of you marvelous cooking teams falling away during the break. I’ll start sending updates at the end of August-beginning of September.

Thank you. You guys are the best.
Fiona
Last year, Taconic Opera was two days away from our performance when we had to cancel. We are finally going to bring you four performances of this beautiful oratorio at the end of June. It will be performed with full orchestra with a fully vaccinated chorus and soloists in two of the most lovely venues in the area. This is a perfect way to bring music back into your life! The last oratorio based on the story of Esther was composed 300 years ago.
Now, join the soloists, chorus and orchestra of the Taconic Opera for this seminal world premiere composed by Dan Montez! The work is based on the original story of Esther, who saved the Jews from their first threat of annihilation. Everyone is raving about his past oratorios. Letters to the company about them include: “Breathtaking!” “I am in awe,” “Sweeping harmonic and melodic gestures,” and “Glorious!”

*Audiences will be masked and limited in size.
*The event will last 1hr and 15 minutes.
*All tickets must be purchased in advance because of size limitations.
Advance Prices: $25, $20 for Seniors, $12 for students
