Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

Seek first the Kingdom of God....

March 6, 2022

Dear Parishioners,

The holy season of Lent is that time of the liturgical year when we once again take the time to reflect, plan and execute for ourselves a way of being that is fulfilling and rewarding. So, for this year I propose these words of Christ, the Word of God, “Seek first the kingdom of God and his righteousness, and all these things will be given to you as well.”

As a practical matter, what does this mean to us? Seeking the kingdom of God is to have as the primary goal of our life aiming towards the greatest possible good, which in turn means that we can only be truly fulfilled by aiming at the highest and ultimate perfection of which we could ever dream. Then the things that you need to survive and thrive on a day-to-day basis will deliver themselves to you.

Therefore, let us make this Lenten season a time to begin to do smaller and less difficult things such as fasting, and abstinence then graduate to doing more difficult things such as patching up broken relationships with family and friends and loving those from whom you have kept apart. Finally, move on to doing the most difficult things you can do in your moral and spiritual life. It is then that our lives will work out better than if we did anything else. We need to convince ourselves that this is sure to happen by making a leap of faith in the Logos, the Son of God, through whom the whole of creation came into being. He is the WAY.

How do we know if this is true and will work out well? Can this be true? You will never know unless you try. You need to cut all ties to the trivialities of life. You must be totally immersed in this new way of living. The problems of eating, clothing oneself, and housing are trivial in comparison. And the probability is that if you manifest yourself properly in the world the things that you need will come your way.

The most effective way of operating in the world is to embrace the concept of achieving the highest good that you can and then strive to attain it.

There’s no more practical way to the kind of success that you could have if you only knew what success is.

In Christ,
