Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

From the Pastor’s Desk

Seek first the Kingdom of God....

Dear Parishioners,

The season of Lent is upon us and gives us the time to reflect upon the way we respond to truth and to love. We do not always respond with calm or joy. There are times when we respond with outrage or even with violence. There are situations and events that trigger us, and we may even lose control over what we say or do. Truth is sometimes a burden we find difficult to carry. This is true on the individual level as well on the social and national level. Truth is uncomfortable, and we choose to live a life of comfort where the truth is submerged under loads of deceit, hypocrisy, and silence.

We see this in the life of Christ who speaks the truth to the people in the synagogue (Luke: 4, 24-30): they are “filled with fury” at his words. They rise up, driving Jesus out of town, leading him to the brow of the hill with plans to “hurl him down headlong.” In like manner, we too try to get rid of those who reveal to us the truth about ourselves.

Like the angry mob in the Gospel who are not interested in taking a hard look at themselves or in trying to understand what Jesus is telling them, we often fall prey to our instincts and stop the words from reaching us as we plan to get rid of the messenger. We would rather live in bondage to deceit than allow the truth to set us free while the messenger—the prophet who has spoken the hard truth—walks away calmly as Jesus did.

Today in our culture angry mobs gather and strike terror and even violence in response to issues in politics, religion, and morality. Our nation, our Church, and even our families seem divided on many fronts. We get angry and spew violence instead of getting to the truth of the matter. We decide to hurl one another off the brow of the hill by other means, hurting and silencing all those who do not share our point of view.

One reason we desire to hurl them down the hill is because we lack humility and consider ourselves as ones who have the key to all the truth in the universe. Who are they to tell us what to do? Thus, we do not become members of the community who are “poor in spirit” and who have the kingdom of God with them.

Let us, during this season of Lent, set ourselves free by opening our eyes to see the truth and accept it with joy and humility. At the very least, let us resist the temptation of throwing the people with whom we disagree over “the brow of the hill.”

In Christ,

Ossining for Refugees
Resettlement News & Needs
In the last two weeks, our network of Supporting Organizations came through for Baseer’s family of four with a double stroller, a tea kettle, a pressure cooker, and housing through March 15, when the family will move to a summer camp. In addition to covering the family’s food, ESL classes, and necessities since their arrival, your donations are also making the summer camp job possible by paying for on-the-job training, while O4R volunteers help him get a NY driver’s license and meet other camp requirements. Baseer is seizing the opportunity for a new life; thanks to the enormous support he has received from the O4R Support Network.
Thank you to the Holy Name of Mary Church and the houses of worship in Croton, Briarcliff Manor, Pleasantville, and Ossining for being part of the O4R Support Network.
