Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

Dear Parishioners,

Wash Yourselves

This month has shown us that humans can live a life of deep corruption which is so evident in the war that we see daily on our TV screens. The massacre of innocents and the terrible blame game are being played out on the world stage. It is very easy for us to have our character corrupted because then we have the excuse to lie, to cheat, to betray, to kill, and to wage war. We corrupt ourselves in our day-to-day life, but we do not activate our potential for evil deeds because we do not have the opportunity to act on it. When a group of people do resort to violence, arson, and murder, they have found the opportunity to act on their evil thoughts. This is seen when cruel guards, soldiers, and those who have attained some position of power vent their rage on fellow human beings. Just because something terrible happened to you does not mean that you are justified to go on a rampage. And yet we have all met people who did not allow their misfortunes to corrupt them, and that is truly something.

So, the real evil is to allow your inner self to be corrupted. Jesus tells us, “I and the Father are one.” He walked always with all that is good, all that is beautiful, and with all that is perfect. We can, during this season of Lent, cleanse ourselves of our past resentments and begin to seek first the kingdom of heaven (love, joy, and peace). We know that there were people who lived in concentration camps and suffered all kinds of atrocities at the hands of fellow humans and yet did not allow their afflictions to corrupt them. Even today we witness those who suffer the inhuman conditions of the Ukraine war who have not become corrupted by the misfortunes and injustice inflicted upon them. They are shining the light of compassion and love on those around the world with the means they have at hand. Let us change our lives and wash the corruption from us as we refrain from lies, duplicity, and revenge. Try this for a month or two and life will surely be better, despite tragedies and misfortunes. There will be great well-springs of strength offered to you from your uncorrupted self.

Wash yourselves this Lent and offer your unblemished soul to the world.

In Christ,
Attention all Ministers of Holy Communion

We have a great need for volunteers to assist Father, either from those Eucharistic Ministers who have previously served or others who are willing to join this ministry for the first time. *This is a most rewarding ministry.* Those receiving the Eucharist are SO grateful. Please give joining this ministry some serious thought. For questions or to offer to help, please contact Marjorie Gilbert. mdgilbert99@gmail.com

Please consider joining our dynamic team of Ushers. The Usher Ministry is in need of your support. If interested, please contact the Parish Office.

Ossining for Refugees
Resettlement News & Needs
The Center at Mariandale is a retreat of simple beauty and peace. Its meandering pathways, contemplative maze, and views of the Hudson River are themselves restorative and healing. Led by Dr. Carl Procario-Foley, the Center and its staff are instinctively welcoming and generous.

Four weeks ago, as Baseer’s family bounced from one Air BNB to another, Carl offered part of their main building as a refuge for the family – for up to seven weeks, at no cost. The staff had a welcome party, hosted quilters giving a gift to Freshta, and gave Baseer and Nabila space to settle in while negotiations and arrangements proceeded (successfully) at the camp.

A big thank you to the Center for this generous and timely gift, truly “welcoming the stranger.” We are proud to have them as a Supporting Organization of O4R.
