Holy Name of Mary is a Roman Catholic community of believers who are dedicated to know Christ and become Christ, each one, for the sake of all. As disciples, we are called to create an environment where God is worshiped and where we serve our neighbor. Our warmest welcome to all who celebrate the Eucharist with us! We thank God for your presence at Holy Name of Mary and we pray for you and your families.

RENEW & REBUILD UP-DATE

This is a status report on where things stand in the Archdiocesan Renew & Rebuild campaign, what has been accomplished in our parish to date, and our plans for the immediate future.

Background

The campaign involved a 3 to 5-year pledge commitment by parishioners where 74% of funds raised would remain in the parish, while 26% would be retained by the Archdiocese. Holy Name of Mary has received $493,250 over the five-year period and earned $22,353 interest on that amount.

Five projects were initially identified for improvement in 2017; three of these have been addressed:
- Replacing the 40-year-old air conditioning system in the Church;
- Replacing the original slate roof on the Rectory;
- Replacing windows in the Parish Center,
for total expenditures of $361,059. Two of the original five specified needs have not been addressed yet.

Two Projects Not Initiated

The two original improvements identified back in 2017, on which no action has been taken, are:
- Boiler replacement in the Chapel;
- Installation of solar energy capabilities.

The Chapel boiler continues to function fully and properly, so we see no compelling need to replace it at this time. On the possible solar capabilities, several complications are involved. At the beginning of the Renew & Rebuild campaign, the Archdiocesan time frame for us to stipulate particular projects was extremely short and did not provide adequate time for us to thoroughly analyze the cost/benefit aspects of solar, the pros and cons of financing arrangements, or the very basics such as whether or not the Parish Center roof and grounds have sufficient sun exposure to make solar practical. We do not, at this point, believe it to be.

Current Plans

We have identified several “Property Restoration” current parish needs as more-necessary than the Chapel boiler and solar installation.
- For the Church – needs such as repair of four flat roofs plus downspouts, leaders and gutters, with replacement as necessary; repair and replace door locks for enhanced security; repair of many pews and kneelers;
- For the Chapel – needs such as exterior and interior painting, shingle repairs;
- For the Rectory – work such as exterior painting and wood trim replacement; fencing and new gates for security; walkway repairs;
- For the Parish Center – needs such as extensive repairs to three roofs, with some replacement likely; repaving parking lot; new guardrails and fencing.

The decision has been made to substitute Property Restoration projects for the original Chapel boiler and solar energy plans, as they have a greater degree of urgency and immediate need in order to protect our parish’s precious physical facilities for the future. Any concerns or objections should be passed on to the parish office via letter or email before July 11, 2022.

We are most grateful to all who participated in Renew & Rebuild and the sacrifices you made to fulfill your pledges. We at Holy Name of Mary are truly blessed with such a dedicated parishioner base --- always responding in both tangible and intangible ways to further God’s work.
**PRAY THE ROSARY**

**News and Needs**
With Your Help, Life Begins Anew

The lco family was warmly welcomed at the airport, at their interim home at Mariandale (with native dish Bandeja Paisa) and on a summery stroll through Ossining, starting with Colombian pastries at the Town Supervisor’s home and ending with private tours of the Community Center and Library.

Sandra is learning the alphabet in English, her two teen boys have been out on bikes, and we joined them all on the free bus to Croton Summerfest.

Volunteer translators and our Chairs helped the family through appliance safety, home checklist, health interview, initial job discussions, school registration forms, ESL plans, and health exam at Open Door.

That’s just the first six days of this resettlement. The family appreciates the volunteers’ work, organization and, yes, friendship. The volunteers love this work. And now it is time for the rest of us to do our part.

Please support the family, and take full advantage of the Swope Fund’s 2:1 match, by attending our Sing Sing Kill Brewery fundraiser at 7 PM on June 16, or by donating at OpenArmsForRefugees.org/donate
