Dear Community Member,

For over 65 years, James L. Collins Catholic School has provided families in our community an outstanding faith based education. We would like to ask you to partner with us as a sponsor for our upcoming golf tournament. JLCCS grows the hearts and minds of students in preschool through 8th grade and at our core we believe in servant leadership and virtuous citizenship. Our school serves the needs of our students, who are diverse in their ethnic, socioeconomic, and religious backgrounds. This year JLCCS is working even harder to help families affected by COVID-19. The funds we raise through our tournament will go towards tuition for families in need. We encourage you to come out and enjoy a great day of golf at the Oaks. All proceeds raised will go towards ensuring that JLCCS will continue to educate the future of our community for another 65 years.
