You can send your donation directly to the Archdiocese or place it in the collection on Sunday and we will mail it for you. If you want to make a gift in cash, simply put it in the envelope and bring it to the office, or place it in the collection next week. We will write a check for you. Thank you for your support!

**CARE for CREATION:** - Our Church accepts the scientific consensus that there is global climate change and that human action has played a significant role in this climate change. Our Holy Father, Pope Francis, has called upon all Catholics to honor, respect and protect the dignity of creation.

"Creation is a gift, it is a wonderful gift that God has given us, so that we care for it and we use it for the benefit of all, always with great respect and gratitude."- Pope Francis, May 2015

Prayer: As we breathe the very air which sustains us, we remember your love, God, which gives us life.

Fill us with your compassion for Creation. Empty us of apathy, selfishness, and fear of all pessimism and hesitation. Breathe into us solidarity with all who suffer now and the future generations who will suffer because of our environmental irresponsibility. Move us into action to save our earth and to build your sustainable Kingdom. *Amen.*

**WEEKLY OFFERING:** June 14: \$2,763.

**A Prayer for Father's Day** - Loving God, Heavenly Father, we thank you for fathers. We thank you for biological fathers, adopted fathers, and fathers in spirit. We thank you for fathers who love and nurture children who are not their own, who teach us to be upright and courageous in adversity and make us strong enough to go out into the world. We thank you for fathers who work hard every day to help fulfill the needs of their families, who fix broken things and teach us how to do it ourselves, who embrace us and guide us, who love us even when they don't understand us. We know they reflect and embody your love for us as our heavenly Father. Comfort those of us who miss our fathers this day, and strengthen and bless those fathers who work so hard to love, protect, and nurture their families this day and every day. *Amen.*

**Fathers today face many complex and difficult challenges.** We give thanks today for fathers and pray that God will support them in the important role that is theirs.

One of the primary challenges that face fathers today is economic. Most families today rely on the mother and the father to work in order to meet their basic expenses. But fathers remain the principal source of support for most families and for many of them it is hard to earn the income necessary to support their families. Wages have been stagnant for years. The cost of living in this city is very high. As a result, economic difficulties can be a principal source of stress for many families. A second challenge that fathers face today is providing the appropriate discipline and structure that their children need in order to grow into responsible adulthood. When fathers have to work six, or even seven, days a week at long hours, they simply don't have the time to connect with their children in the way that they need. As essential as every dollar truly is in today's household, fathers need to give priority to making time to be with their children so that they can help them mature in a very challenging world. Finally, fathers face the challenge of fidelity to their wives. Infidelity is easy in our society. Physical relationships can easily be found, but internet pornography is also another form of infidelity that is a temptation for many men. In addition to making time to be with their children, fathers need to make time to be with their wives – to cultivate that deep intimacy in love that a marriage requires.

Does a father need to be 'superman' today to face all these challenges successfully? No. He simply needs to be a man of faith. He needs to have a living relationship with God through which he has a profound confidence in God's presence with him and the desire of God to give him the strength that he needs in order to fulfill his role. Without God in his life, a father will not be able to meet the real challenges that he faces daily. Please pray for all fathers today. Ask that God bless and strengthen them.
