Still Loving There are many ways to remember your loved ones and to give something back to God at the same time. Many people do so through donations for

1. Mass intentions, or 2. the bread and wine for Mass, or 3. The sanctuary candles that burn to indicate Christ's presence in the tabernacle, or 4. the Tree of Life . The tree is a beautiful way to memorialize a loved one or loved ones, living or deceased. For information, please call the rectory at 718-761-6663.

TOWN HALL MEETING

With the “Making All things New” Program, we have seen Parishes close, merge and cut their Mass schedule. This process can be difficult, especially if you, the parishioners, feel like you don’t have a say in what is happening. One issue that we face is our Mass schedule. I want to make sure that we, the priests and parishioners, are involved and have a say in what happens to our parish.

With this in mind, I invite **any and all parishioners** to a Town Hall Meeting on Friday, November 20th at 7pm in the Msgr. Glynn Center (we will hopefully have coffee and cookies to serve!).

Again, I know this is a difficult subject for all of us. Please bear with me, and we will get through this together.

CHILD PROTECTION

The Archdiocese of New York is committed to doing all that it can to protect children and young people from sexual abuse. As part of that effort, we periodically reach out to the Catholic community to advise them whom they may contact and what steps they can take if they have suffered abuse by someone representing the Catholic Church.

Anyone who needs to report an alleged incident of sexual abuse of a minor by priest, deacon, religious or lay person serving in the Archdiocese of New York is asked to contact Sr. Eileen Clifford, O.P. at 212-371-1000, ext.2949 or Deacon George J. Coppola at 917-861-1762. Both may also be reached via e-mail at victimassitance@archny.org. Information can also be found on the Archdiocesan website, www.archny.org. In keeping with the Archdiocesan policy regarding sexual abuse of minors, this information is provided to ensure that our children remain safe and secure.
