Feast of St. Mattias, Apostle

My dear Parishioners and Friends in the Lord,

I have just received news that Msgr. John Brinn has been admitted to St. Joseph's Hospital in Yonkers, NY. He is in ICU due to a pneumonia, kidney infection, and his heart condition. He is using a BiPap machine to help him breathe. As a result, he is not able to speak at this time. No additional information has been given me.

I ask that you include him in your daily prayers. Let us entrust him to our Lord through the intercession of our Lady, St. Joseph, and St. Mattias, whose feast we celebrate today. Be assured he is remembered in a special and loving way at the Holy Sacrifice of the Mass offered by the priests in our parish.

God bless you, and God save us all.

Mis queridos feligreses y amigos en el Señor,

Acabo de recibir noticias de que Mons. John Brinn ha sido ingresado en el Hospital St. Joseph en Yonkers, Nueva York. Está en la UCI debido a una neumonía, infección renal y problemas cardíacos. Está usando una máquina BiPap para ayudarlo a respirar. Como resultado, no puede hablar en este momento. No se me ha proporcionado información adicional.

Les pido que lo incluyan en sus oraciones diarias. Encomendemos a nuestro Señor por la intercesión de nuestra Señora, San José y San Mattias, cuya fiesta celebramos hoy. Tenga la seguridad de que es recordado de una manera especial y amorosa en el Santo Sacrificio de la Misa ofrecido por los sacerdotes en nuestra parroquia.

Dios los bendiga, y Dios nos salve a todos.

In Christ,

Rev. Ronald P. Perez
Pastor
