Discipleship Maker Survey Christ the King Parish Results

Last spring, our parish had the opportunity to participate in the Disciple Maker Index (DMI) survey. More than **325 adults** in our parish - about **18 percent** of parishioners - took the time to offer their feedback. For most parishes, participation is between 7-10 percent, so this puts Christ the King above the national average!

We would like to thank everyone who filled out The Disciple Maker Index Survey, which provides valuable data for our parish and our Diocese!

What's Next?

- DMI results have been reviewed and considered among other information to draw conclusions about the current state of our parish and how we can better serve the needs of our diverse community.
- Fr. Schalk, the staff, and the “Real Presence Real Future” Planning Team will continue to assess goals for the future. Additional opportunities for parishioners to offer feedback will be available in the fall. A draft plan will then be submitted to the Diocese for review.

Looking Ahead

We are grateful to share this journey with you as we strive to grow as a community of missionary disciples.

Please join us in praying that our parish would continue to flourish under the wisdom and guidance of the Holy Spirit!
