Dear Friends,

Welcome to the *St. Patrick’s Cathedral 2020-2021 Concert Series*.

Music has played an integral part in the daily life of Saint Patrick’s Cathedral since opening its doors in 1879. Our St. Patrick’s Cathedral Choir, comprised of approximately 40 professional and volunteer singers, and our cantors, have sung for thousands of Masses, liturgical services, concerts, and other occasions at the Cathedral. You can join us for Mass every Sunday and weekday at the Cathedral, online at the cathedral’s website, www.saintpatricks cathedral.org/live, on The Catholic Channel of SiriusXM Satellite Radio (channel 129), and on local New York are Catholic Faith Network television channels.

During this pandemic, the threat of the spread of COVID-19 closed our cathedral for several weeks and continues to silence our Cathedral Choir. However, our organists and cantors have continuously provided music daily for Mass. Our concerts, at this point, will only be available via livestream.

We offer to you four concerts this season: *The Three Organists All Souls' Concert* in memory of those who have died this year from COVID-19 as well as social violence; our much-loved annual *A City Singing at Christmas*; our popular *Irish Heritage Concert*, and *The Three Organists Spring Concert* offered for Easter hope. Due to the current epidemic, the *All Souls'* and *A City Singing at Christmas* concerts will only be available via livestream.

We are being vigilant both socially and financially with regard to this year’s St. Patrick’s Cathedral Concert Series. Our Christmas and Irish concerts will see a reduction in the number of singers and because most organists are unable to travel at this time, our staff organists will provide music in concert during the year, with both evening and Sunday afternoon Kilgen Organ Recital offerings for musical prayer, hope and unity.

If you are a long-time Friend of Music member or considering joining us this year, you will enjoy our musical offerings this season. I hope you will join us for all of our performances, whether in person or online on the cathedral website. Please check our updated membership benefits. We are privileged to share our music with local New Yorkers, visitors and virtual viewers from around the world.

Sincerely,

Jennifer Pascual, D.M.A., *Director of Music*

FRIENDS
OF MUSIC

Please consider supporting the Friends of Music at St. Patrick's Cathedral for the 2020–2021 season.

Contributions made to Friends of Music are used in part to support the non-liturgical music programs at St. Patrick's Cathedral including the Concert Series, the Guest Choir Concert Series, and the Organ Recital Series. Although this season is different from years past, please join at the level you feel most comfortable.

It is only through the continued support of the Friends of Music that these series and their inspiring music are possible. Each gesture of support enables us to continue producing concerts of high-quality music in this majestic space. Every year we must raise the funds needed to cover the operating expenses, since there is not an endowment to support this program and other programs of the Cathedral.

Support the Friends of Music at St. Patrick’s Cathedral and be a part of our music history!

To make a contribution, simply mail in the attached card enclosed with the contribution or make a donation online at:
