Please notify an usher if you would like to bring up the gifts during a Mass for your loved one.

Do you want to know a secret?

Well, let me share one with you!

I never thought that to be an Administrator was that difficult. As a seminarian you always dream that one day you will be the best and the holiest pastor ever. That you will be touching people's hearts as soon as your words come out from your mouth. However, I see that not all my dreams can be reached that easy.

Everything in life deserves effort and passion, sacrifice and courage, tears and some laughs as well.

To be the best and the holiest priest ever is not up to me. Everything we are, we have, and we will be relies on the MERCY of GOD. Above all, Our God is merciful and compassionate, all things are given to us not because we are the best, but the most needed of those graces. Especially today when we celebrate Divine Mercy Sunday, a special day in which I invite you my brothers and sisters, to turn to God and give thanks for everything, especially for those moments in which we have felt isolated, alone, lonely, sad, upset, and more. Let us give HIM everything. Let us not be afraid to detach ourselves from our human failures and offer them to Our Merciful Father.

Here in our church, we are so privileged to have a beautiful picture of our Merciful Lord. Have you seen this carefully? Did you see what he does with his left hand? If not, check it out and let me know! He is not pointing at the heart by the way, he is... !

As we continue our journey toward God in this blessed Easter season, I invite you to see Our Risen Lord more closely and fall in love with HIM. Give Him a chance and you will see how beautiful and holy He is.

You are always in my prayers and thoughts,

Fr. Esteban

RESPECT LIFE

The Chaplet

Today's observance of Divine Mercy Sunday is a good time to renew our devotion to the Chaplet of Divine Mercy. There is a close link between this devotion and the pro-life movement. Fr. Seraphim Michalenko, MIC,

who was a principal translator of St. Faustina's diary, and the postulator of her cause of canonization, writes the following:

"On at least three occasions, from 8:00-11:00 in the evening, she felt like her insides were being torn apart. She suffered so much that she thought she was going to die. The doctors couldn't figure out what was ailing her, and no medication was able to alleviate her sufferings. Later, she was given to understand that she was undergoing those pains for mothers who were aborting their children (Diary, 1276).

"On another occasion, she had a vision of an angel coming with thunderbolts to destroy one of the most beautiful cities of her country. And she felt powerless to do anything about it (Diary, 474). What antidote did the Lord give her? The Chaplet of Divine Mercy. [She explained] that the city was to be chastised for its sins, primarily the sin of abortion." ("Wombs of Mercy," Marian Helpers Bulletin, Summer 1995, p.13).

In 2003, Pope John Paul II issued an Apostolic Blessing to all who pray the Divine Mercy Chaplet "for mothers, that they not abort their offspring; for infants in danger of being put to death in the womb; for a change of heart of providers of abortions and of their collaborators; for human victims of stem cell research, genetic manipulation, cloning and euthanasia; and for all entrusted with the government of peoples, that they may promote the Culture of Life, so as to put an end to the culture of death." **The next Respect Life Holy Hour: Thursday, April 19, 2018 at 7:00pm.**

DIVINE MERCY SUNDAY

"On that day the very depths of My tender mercy are open. I pour out a whole ocean of graces upon those souls who approach the fount of My mercy. The soul that will go to confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment. On that day all the divine floodgates through which grace flow are opened. Let no soul fear to draw near Me, even though its sins be as scarlet. My mercy is so great that no mind, be it of man or of angel, will be able to fathom it throughout all eternity."

(Diary of Saint Foustina, 699)
