**SAFE ENVIRONMENT LESSONS:** I hereby consent that my child may be taught Safe Environment lessons. These lessons will cover such topics as internet safety, how to develop good boundaries in relationships, how to deal with uncomfortable or threatening situations, and how to get help from a trusted adult. Each year, parents/guardians will receive a short overview of the lesson that your child will receive during their Safe Environment instruction class period. This will enable you to reinforce the lessons your children have received, and to assure them of your support in their safety. Resources will also be available to help parents/guardians further educate themselves and their children in this important area.
