

Service Hours for Confirmation

Candidate

The required amount of service is **40 hours** for the Confirmation Students at SS Peter & Paul, St. Mary's Burnside, Sacred Heart Brown City & St Patrick Chapel.

The amount of service is to be divided up into the three areas, listed above, as evenly as possible; starting with 10 hours in each and adding to complete the 40 hours of service from there. This is to help the candidate expand their horizon and not limit their ability to see the need of God's people just in their own environment, but to help them understand that we are all Creatures made in the likeness and image of God.

Your son or daughter at the close of the 7th grade should have begun serving their hours. Please keep track of these hours using the reverse side of this form, and continue to do so until Interviews on March 22, 2020 when the hours are to be completed and the chart turned in.

We hope that this will be a very rewarding experience for the student, and that it will start them on a journey to be the hands, feet and heart of Christ.

Yours in Christ,
Scott & Thea Julien
