

WINTER SPORT'S SIGNUP

Sign-ups for the winter sports season begin October 22 - 31. Wednesday, October 31 is the deadline to turn in registration materials. There will be no exceptions! Students who do not sign up will not be allowed to play.

Students are not allowed to play on more than one team each season. Conflicts with team schedules for games and practices, as well as over scheduling of students/families, is a concern. Please discuss family schedules/commitments prior to registering. Sports fees are non-refundable.

If your child played a fall sport, only turn in the registration form. If this is the first sport being played this year, all 4 forms must be completed and returned. Forms include, 1) Signup Form 2) Christian Ethics 3) Catholic Mutual Insurance Waiver 4) Sports Qualifying Physical Examination Clearance Form. A current physical (good for 3 years) must be on file in the health office. You may also access game information and athletic forms on our website: [www:stjosephwsp.org](http://www.stjosephwsp.org) and click on Student Life > Athletics > Forms.
