

Church of St. Francis Xavier • Annual Parish Census, 2018

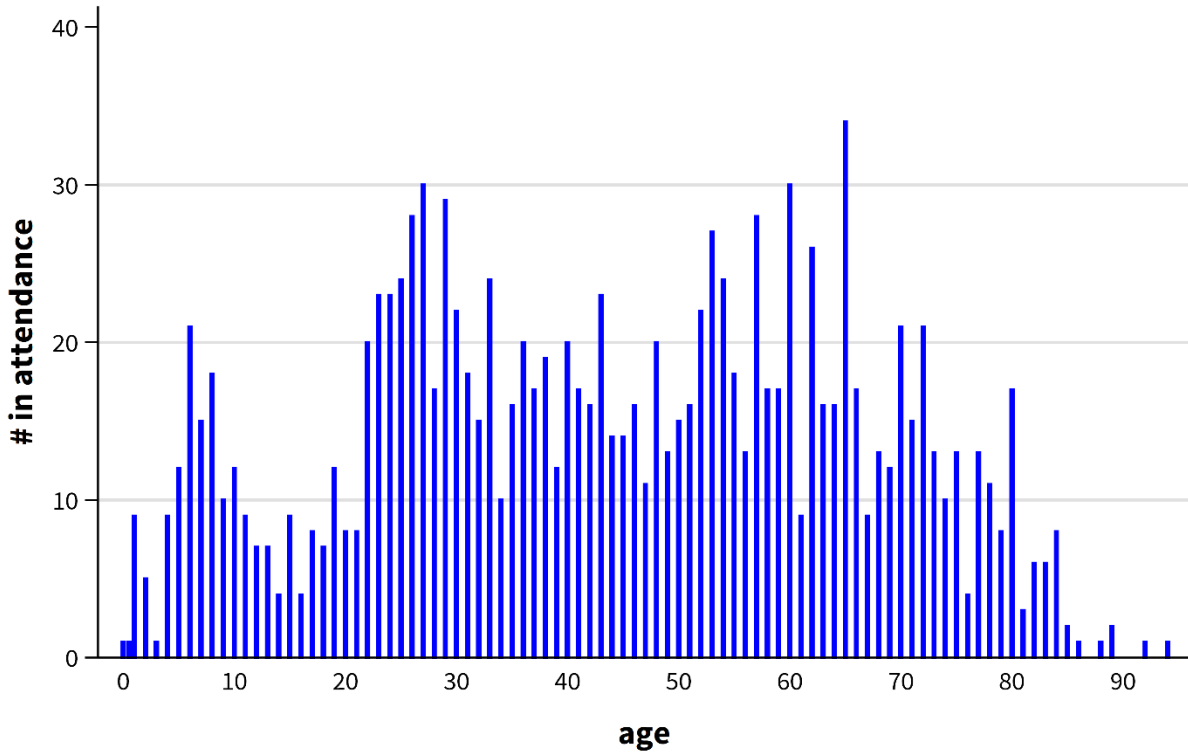

Report to the Parish

Xavier conducted its annual parish census over the weekend of December 8-9, 2018 at all four weekend Masses. Those in attendance filled out index cards in which they provided the ages of everyone in their households, the number of years they have been attending Xavier, and their zip code.

Attendance at Mass is of course just one of the many ways we all participate in the life of the parish, but these data allow us to paint many portraits of the vibrant community that is Xavier. Here are just a few!

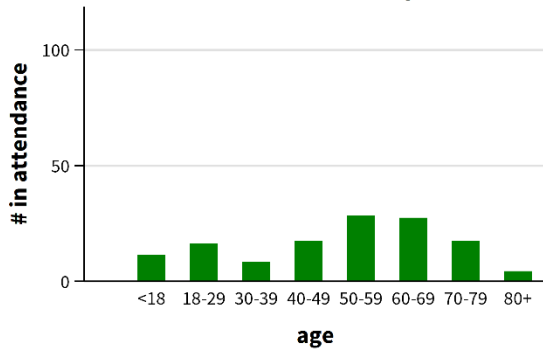

Mass	# in attendance	Median age	# under 18 years old (as % of those in attendance)	Median # of years attending Xavier	# visitors (as % of those in attendance)
Saturday 5 pm	130	53	11 (8%)	6.5	40 (31%)
Sunday 9 am	368	41	112 (30%)	4	25 (7%)
Sunday 11:30 am	523	50	30 (6%)	5.5	73 (8%)
Sunday 5 pm	271	35	9 (3%)	3	21 (12%)
