## High School Faith Formation 2020-2021 Registration

Hello John 10 Youth Ministry Families!

Welcome new and returning families! Whether you are new or returning it is important that you read all communication in its entirety as there are many changes for the upcoming year. I know that once you are done reading this you will still have a lot of questions, but please be patient I will get more information to you soon, but this is dependent on your timely registration. So here we go!

**Communication:** All communication is done via email and a few times through the postal system. Please be sure to read and save emails that have information you may need in the future.

**Registration:** Attached is the information needed for registration. Please take your time as you register, please do not be quick to click as you may miss important steps in the process and may miss the opportunity to provide me with needed information in preparation for the upcoming year.

**In-Person Instruction:** I am hoping that we will be able to meet in person, however, I am preparing for family based instruction as well. Once restrictions are lifted and we are able to meet in person, we will only be allowed 50 people on campus at a time, with small groups no larger than 8 students. So given the size of our program we will be meeting on three separate evenings (Sunday, Tuesday and Wednesday) on the first and third weeks of the month at the St. Paul campus only. Which evening will your son/daughter attend? The answer is I don't know. This will be determined once registration is closed and I know how many students we have. So again if I could please ask for your patience as we work this out. **It is important that you don't delay your registration. The sooner I know who is joining us the better I can be prepared and the sooner I will be able to answer all of your questions.**

**Family Based Instruction:** For those of you who are not comfortable sending your son/daughter to in person classes I have materials available for you to work alongside your student from home. I will also have virtual meetings arranged to allow for questions and to connect with other students. Also, in the event that we cannot meet in person this option will apply to everyone.

**New This Year: Calling all high school seniors!** Do you want to learn more about love? How about what a healthy relationship looks like? What is the purpose of dating? What can I be doing now to prepare for the vocation I am called to (marriage, religious life...yup...preparation starts now!)? Come and join us for ***Courses in Love and Theology of the Body*** to answer these questions and so much more!

No life abundantly.

**Retreats** are an important part of High School Formation. The Confirmation Retreat is mandatory for sacramental preparation. Juniors, mark your calendars, the Confirmation Retreat is scheduled for February 19<sup>th</sup> – 21<sup>st</sup>.

**Service Requirements:** We will have service requirements this year. I am still working on this part of our program. Information on this will be provided after registration.

That's everything for now! I am really looking forward to going on this journey with your family. It is going to be an amazing ride! If you should have any questions, please don't hesitate to contact me.

In Christ,

Jennifer Geisler

Director of High School Youth Ministry

St. Bruno & St. Paul Parishes
