Sanctuary of Life

“From within the heart of the world, the family has a decisive and determinative relationship with life. As a Sanctuary of life, the family must welcome it, defend it, accompany it during its development, especially during the whole process of its education.... The family lovingly bears witness to the uniqueness of new life.... The instruction of the Didache, “Thou shalt not kill the child in its mother's womb” (2, 1), incorporated into the living tradition of the Church, must resound even today from the heart of every household. Only God is the Lord of life!” (Cardinal Alfonso Lopez Trujillo, President, Pontifical Council for the Family, Homily to Pontifical Academy for Life, February 1997).
