February 25, 2019

Dear Parents,

The last line in our mission statement says ***“We Form Leaders for Christ”***. The word “We” encompasses so many people (you as parents, SPPS faculty and staff, SPPS alumni, Hancock County Catholic Church parishioners, and many others) because we recognize that we can’t do it alone. This also applies to our school funding. The pie chart below shows the financial support of everyone committed to our students’ formation at Sts. Peter & Paul School.

The tuition you pay is only 30% of the actual cost. The other 70% of the cost to educate your child(ren) is provided by our generous supporters through the Touching the Future Annual Fund (15%), God’s Portion Day Auction/Events (26%), and Parish support/Other donations (29%).

Thank you for your support as **WE** continue to ***Form Leaders for Christ!***
Lisa Gray, Principal
