

LENTEN PRAYER BOARD

Make your own Lenten Prayer Board this year, where you pray for different people each day of Lent. This is a great family activity!

1. Take a poster board, leaving a space at the top & bottom, divide the rest of the board into 40 blocks. Number the blocks 1-40. Add the Lent title at the top and “40 days of prayer” at the bottom.

2. Decide & write in who you want to pray for each day of Lent. (Having trouble thinking of an intention? Check out the sample board above.)

3. Starting with Ash Wednesday, pray for your intentions each day Monday – Saturday until Easter.
