SUNDAY, OCT. 31ST
FROM 11:30AM-1PM

ADDITIONAL INSTRUCTIONS

Arrival- You may arrive to park and set up your decorations starting at 11:15am. The actual event will kick off at 11:30am.

Candy- Candy needs to be individually wrap (No homemade treats please). You may give out goodie bags in either Ziplock or paper bags if you choose. Please be prepared to have candy for all youth participants. Melissa Pollio will email all those who registered a few days before letting you know how many children will be participating so you can plan your candy accordingly.

Concessions- Concessions will be available to purchase if you plan to eat lunch at the event. Hot dogs, pizza, pretzels & cotton candy will be sold as a fundraiser for the Girl Scouts.

Bar- We will have a complimentary beer and wine bar in the garden, for adults of age. All "tips" given at the bar will benefit the parish Girl Scout troop.

Costumes- We encourage everyone to wear costumes. There will be a costume contest for different categories. Understanding that the event is after Mass, children may wear their costume to 10:30am Mass that Sunday (please no props in church.)

Playground- The playground will be open for use and we will also have games set up for the kids.

Parking- Parking spots will not be assigned this year in the parish parking lot; they will be first come, first serve. A map of the parking lot will be emailed along with the number of children participating. Someone will be on hand to assist if you have trouble find a spot. The registration is limited to 100 cars.

Please note that all participants must be registered for this event.
