

# Sanctification = To Be Made Holy

**Sanctification** is the process of becoming holy. It is also a gift given through the power of God to a person or thing which is then considered sacred or set apart within the religion. In general anything from the tabernacle and altar, to vessels, to feast days, to a human who believes who willingly accepts this gift can be sanctified.

The English word "saint" comes from the Latin "sanctus" and the Greek "hagios", which means "to set apart", "to sanctify", or "to make holy". The word appears 60 in the KJV NT and 229 times in the Greek NT.

**Sanctifying Grace is the indwelling of the Holy Spirit. This is the gift of sanctification that pours** new life into our souls allowing us to share in the life of God. Our reconciliation with God is made so in S.G.. Through S.G. we participate in the divine life; and have the right to be called children of God. S.G. is the source of our supernatural merits and gives us the right of eternal glory.
