Pornography Hurts Campaign: Can you believe that \$50 billion dollars is generated each year by the worldwide pornography industry? Sadly, and more frightening is that young children can easily access these pornographic websites. Victims of child pornography suffer unbelievably from the harmful effects with feelings of guilt, worthlessness and shame, besides feeling physical and emotional pain and psychological distress. All children have a right and a need for a safe and nurturing environment. Express your concerns by signing the Pornography Hurts Postcard available in the back of our church and mailing it to the Minister of Justice, Honorable Jody -Wilson Rabould
