**Tips for Spiritual Living** - Develop a habit of daily prayer using The Prayer Process. Search "The Prayer Process" on your phone, tablet or computer and use these steps to start or enrich a practice of daily prayer. For those who do not have computer access, the Prayer Process is as follows: **Gratitude:** Begin by thanking God in a personal dialogue for whatever you are grateful for today. **Awareness:** Revisit the times in the past twenty-four hours when you were, and were not, the best version of yourself. Talk to God about these situations and what you learned from then. **Significant Moments:** Identify something you experienced in the past 24 hours and explore what God might be trying to say to you through that event or person. **Peace:** Ask God to forgive you for any wrong you have committed (against yourself, another person or Him) and to fill you with deep and abiding peace. **Freedom:** Speak with God about how He is inviting you to change your life, so that you can experience the best version of yourself. **Others:** Lift up to God anyone you feel called to pray for today, asking God to bless and guide them. **Pray the Our Father.** Suggested reading: Resisting Happiness: A True Story about Why We Sabotage Ourselves, Feel Overwhelmed, Set Aside Our Dreams and Lack the Courage to Simply Be Ourselves... and How to Start Choosing Happiness Again. Available by order on Amazon.ca or on Kobo app (download app for smartphone, tablet or laptop) This book was handed out at St Kevin's Christmas 2016 so you may have it.
