This program is suitable for anyone who is looking to grow in faith, no matter where you are in your faith journey!

Thank you for your cooperation.

Mass Intentions - Since the COVID-19 outbreak in March there have not been a lot of Mass intentions requested or Mass Cards sold. If you would like to request a Mass for a loved one, to be said on a weekday, now would be an opportune time. You can request an intention by phone, email or dropping by the Parish Office when open to the public (1 - 4pm Monday - Thursday & 9 - 12 noon on Fridays). Or you can place your intention & money in an envelope and drop it in the mail slot of the Parish Office door.

St. Kevin's Cemetery - Please note that the Garbage Dumpster in the Cemetery will be removed on September 30th. Now would be a good time to clean up any old flowers or debris that may be around your family plot or may have blown there with the wind. Thank you.

Re: The Mount Cashel Lawsuit

Dear People of the Archdiocese of St. John's:

I am writing today to update you on the legal proceedings related to the Appeal Court decision regarding the Mount Cashel Law Suit. In March 2018, the Supreme Court of Newfoundland and Labrador determined that the Archdiocese of St. John's was not liable for abuse committed at the Mount Cashel Orphanage by certain members of the Christian Brothers. This decision was appealed and on July 29, 2020 we learned that the Appeal Court overturned some of the legal conclusions made by the trial judge of this case, one of which was to find that the Archdiocese was vicariously liable for the abuse committed.

During the past few weeks, we have been meeting with our legal counsel to review this matter and to determine how we should respond to the Appeal Court's ruling. As this ruling with respect to liability will set a legal precedent that will likely have profound implications for not only the future operations of our Archdiocese, but for the operations of other Episcopal Corporations, charities and organizations, it is important that a clear understanding of the application of this law be obtained. Therefore, earlier today lawyers representing the Archdiocese of St. John's petitioned for leave to appeal to the Supreme Court of Canada the decision of the Newfoundland and Labrador Court of Appeal on this case.

We have been advised by our legal counsel that it may be early in the new year before we receive a response from the Supreme Court of Canada on our petition. We are hopeful that due to the national importance of this case, the Supreme Court will hear this matter. If so, there will be further legal proceedings. Conversely, if the Supreme Court chooses not to hear this matter, the legal proceedings will have ended and we will have to determine how best to deal with the impact of that decision on our Archdiocese.

We regret that this petition will prolong the legal proceedings of this case and we have immense sympathy for those who suffer as a result of abuse. Please join with us in continuing to pray for all those who bear the pain and woundedness caused by abuse.

We know that this case brings forth many questions and concerns that can only be fully addressed once the present legal proceedings are concluded. Until then, we must continue to move forward, focused on our daily work of building God's kingdom through service, word and worship.

Sincerely yours in Christ,

+Peter Hundt , Archbishop of St. John's, NL

Collection for the Needs of the Church in Canada - Thank you for your support

Each year, and with the generosity of Catholic faithful from coast to coast to coast, the Bishops of Canada continue their work on important doctrinal and ethical questions; ecumenical initiatives and interreligious dialogue; international relations; evangelization, faith education and catechesis; relations with Indigenous peoples; questions of social justice; and the development of a culture of life and family. In addition to the national Conference, the Bishops of Canada also meet in four Regional Assemblies (Atlantic, Quebec, Ontario and the West). The CCCP and the regional assemblies include the Bishops of the Latin Church as well as the Episcopal Bishops of the Eastern Catholic Churches. On behalf of all Bishops of Canada, the Most Reverend Richard Gagnon, Archbishop of Winnipeg and CCCB President, shares his gratitude for the continued support of the Church's pastoral mission through prayers, gestures of kindness, encouragement and generosity. "I thank all of you for your support and ask the Lord to bless you and your loved ones abundantly, and keep you safe always."

The collection for the Needs of the Church in Canada will take place on Sept. 26th & 27th. This annual initiative assists the Bishops in their ministry of accompanying, teaching, guiding, sanctifying and caring for the Church in Canada.
