Zack Cunningham, Principal

“As well as physical hunger, man also suffers from another form of hunger that cannot be sated with ordinary food. It is a hunger for life, a hunger for love, a hunger for eternity. [...] Jesus gives us this nourishment — or rather, He Himself is the living bread that gives life to the world. His Body is the true food in the form of bread; His Blood is the true sustenance in the form of wine. It is not a simple form of nourishment to sate our bodies, like manna; the Body of Christ is the bread of the last times, able to give life, eternal life, because the substance of this bread is Love.”

-Pope Francis
