ST. AUGUSTINE MUSIC MINISTRY

Janet McCullough, Music Director

From the Music Survey: Tempo of Hymns

Several of you have noticed the increase in the tempo of music at Mass. For those of you conversant with a metronome, I've added about ten clicks to the tempos I would normally use.

Here's the mission for the rest of you: since I'm now playing faster, you must sing faster! Hopefully we will soon adjust to the faster tempos, even those of you who have mentioned that the hymns seem a bit too fast now.

Many thanks to the parishioners who answered the music survey. In the coming weeks, more information about other items from the music survey will be shared in this space.
