As Pastors we worry about the financial impact the suspension of masses will have on our parishes.

We are dependent on your generosity and support to continue through this time of uncertainty.

We now have electronic giving available; I encourage you to support the parish through sending a contribution through online bill pay via your bank account or mail in your donation to our parish office.

Unfortunately, while our routines and life experiences are being disrupted, the parish expenses and bills continue.

Please see our website [www.sttheresafred.org](http://www.sttheresafred.org) for the link for online giving.

Catholic faithful are still released from their Sunday obligation.

In addition to the guidelines we are following we are also asking for help to sanitize the pews and chairs after all masses. There are spray bottles and rags in the back of the worship area. Your help is greatly appreciated.

**THIS WEEKEND there will be a special collection for the Holy Land.** This annual Pontifical Good Friday Collection is mandated by the Holy Father to be taken up in every Catholic parish. The collection did not happen during the normal time of Good Friday this year due to COVID-19.

The Collection sustains Christianity in the Holy Land. With your support, the Franciscans maintain the sacred shrines throughout the Holy Land so that pilgrims can walk in the footsteps of Jesus. In addition, the Franciscan friars minister in parishes, provide formation and education, build homes, provide jobs, take care of the elderly, and feed the hungry. Ain in times of war and instability, they provide humanitarian aid. Each year, you are called on for your prayers, support, and encouragement for the Holy Father's Good Friday Collection.

When you contribute to the Pontifical Good Friday Collection, you become an instrument of peace and join with Catholics around the world in solidarity with the church in the Holy Land.
