We are in the process of putting together a memorial garden outside around the St. Theresa statue. Bricks with names of loved ones are being placed around the statue.

This is going to be a special place to remember those who have passed away or those who are still with us. These bricks will always be a part of our parish.

If you haven't already purchased a brick to be placed in this memorial garden please consider ordering one.

There are order forms on the round table outside the doors and in the parish office.

Bricks are \$150.00 each.
