

Experiencing Church Reflection?

1. Tell us about the event you are going to reflect upon.

2. How did participating in the event/activity help you grow in your faith?

3. What passages from Scripture come to mind as you reflect on your experience?

4. Was there a particular saint that also came to mind?

5. How did this experience affect your prayer life and how will your life be different now that you have had that experience?
