Dear Future Sponsor,

In West County, there's nothing more important than fostering our local sports teams.

Organizations like St. Joseph provide students between the ages of 4 and 14 a safe place to get physically active and learn the core values of team work, leadership, and respect of one another.

However, with increasing costs it is a challenge every year to maintain our equipment & facilities and provide our programs at a competitive & reasonable cost for parents. In an effort to offset these costs we established this sponsorship program in 2016. Since then we have been able to replace a worn out scoreboard, paint, and replace a wall pad in the gym. We were also able to avoid registration fee increases for nearly 3 years. Our nearly 1000 annual student athlete registrants and their parents are most appreciative of sponsors like you.

Would your company be interested in serving as a sponsor?

In return, St. Joseph would feature your company as our sponsor at games hosted at St. Joseph, on our web pages, email communications, and in programs at special events such as our Hooplidays Basketball Tournament and Crusaders Night, depending on your level of sponsorship.

This would help your company gain exposure among St. Joseph Manchester parents and in the broader West County area.

If your Company is excited by this proposal, please reach out to us at sjaa@stjoemanchester.org

Warm Regards,

Steve Wichmann
