Welcome to June
at Holy Family Parish

A month to pray for brides and grooms, graduates, fathers and father-figures.

Notes from the Pastor and Parish Council

Thank you to all those who supported last month’s out-standing concert. It was both a “fund” raiser and a “fun raiser.” The entertainment was deserving of an Emmy and we thank especially the Couples for Christ-FFL group for arranging this event.

There are still tickets available for this month’s Hoe Down event on June 18th. You may see elsewhere in this bulletin for information about the activities.

Please keep in mind that our parish expenses to keep the church doors open for weekend Masses, daily Masses and prayer services and religious education classes (plus the new parish center/church office) continue over the summer. While away for vacation, it is easy to forget about our church “back home.” Many parishioners make up the missed donations when they return, and many kind parishioners have set up an automatic payment system so they don’t have to worry about writing weekly checks.

To look into this more, please go to the Holy Family web-site (listed in the footnote) and click on OFFER-TORY and/or CONSTRUCTION FUND. This will allow you to set up a monthly credit card payment or a monthly bank withdrawal. That way, you don’t have to worry about weekly envelopes. Your end-of-year tax statement will reflect these automatic payments.

What is a sweatshop?

Imported consumer items (whether we know it or not) are typically produced in "sweatshops." These items include most of the shoes, clothing, rugs, toys that we buy and bananas, chocolate and coffee we consume.

Sweatshops exist in Third World, Second World - and even First World countries! Most workers in such sweatshop factories are youth and women who are nothing more than slaves or indentured servants. They face extreme exploitation, including long work hours and the absence of a living wage. They under-go poor working conditions such as health and safe-ty hazards. They experience arbitrary discipline such as verbal or physical abuse. If they speak out or at-tempt to organize, they are con-fronted with intimi-da-tion.

What can we do to express our outrage that people around the world are so exploited? Find out if your retailers sell items produced in sweatshops and go to: www.justpeace.org/whyboycott.htm to educate your-self about a different mindset opposed to sweatshops.

Youth Ministry News

An exciting move is underway at HolyFamily Parish: the Youth Group is being revital-ized to provide a Ministry for our younger members who are prepar-ing for their Confirmation and for those who have recently been con-firmed. Programs are being for-mulated for 7th, 8th and 9th grad-ers, for high schoolers, and for young adults of col-lege age and those in their early twenties.

The Santa Rosa Diocesan Youth and Young Adult Minis-try has organized three great upcoming events which are open to any and all Holy Family youth =***>

- Eureka Mission Trip for ages 14-23. Partici-pants will stay at St. Bernard High School dorms in Eureka during June 27th - July 1st. Besides fellowship and prayer and leadership formation, the group will per-form volunteer Christian minis-try and service at a variety of needy pro-grams in the surrounding area.

- An Apostolic Encounter for grades 7, 8 and 9 at Camp Cazadero in the Russian River area on July 5th - July 8th. This camp will introduce a daily en-counter with Christ while experiencing the great outdoors. Young teens

will be able to listen to their own call through prayer, out-door adventure, fellow-ship and sacramental focus.

- “Youth on a Mission” Discipleship Training to be held at the Maritime Academy July 14th - 17th for incoming 10th, 11th and 12th graders who are seen as the teen leaders of the parish. Experience leadership, evangeliza-tion, and prac-tice tools of discipleship that can be helpful in families, the parish and the community.

To register, please call 707-566-3371 or register on-line at ==> www.srdiocese.org/youth_ministry_events

Corporal Works of Mercy

According to the United States Conference of Cath-o-lic Bishops, the Corporal Works of Mercy are found in the teachings of Jesus and give us a model for how we should treat all others, as if they were Christ in disguise. Pope Francis’ call for a special Jubilee Year of Mercy challenges us to show mercy to others by means of prac-ticing these Corporal Works of Mercy:

- Feed the hungry
- Give drink to the thirsty
- Visit the sick
- Shelter the homeless
- Bury the dead
- Visit the prisoner
- Give alms to the poor

Read Matthew 25:31-46 to see how Jesus teaches us about caring for others less fortunate than ourselves.

When you did this to the least of my brothers and sisters, you did it to me
Spiritual Works of Mercy

Also according to the United States Conference of Catholic Bishops, just as Jesus attended to the spiritual well-being of those he ministered to, these Spiritual Works of Mercy guide us to assist our neighbor in their spiritual needs. The Jubilee Year of Mercy further challenges us to show mercy to others by means of practicing these Spiritual Works of Mercy:

- Counsel the doubtful
- Admonish the sinner
- Instruct the ignorant
- Comfort the sorrowful
- Forgive injuries
- Bear wrongs patiently
- Pray for the living and the dead

Monday Night  Monday Night Series

An exciting series of educational and thought-provoking presentations has been planned by Deacon Mike for the Mondays in June. The title of the series is Meaning: Exploring the Big Questions of the Cosmos with a Vatican Scientist. That Vatican scientist/astronomer is Fr. Guy Consolmagno, SJ, PhD.

The questions posed each successive week (June 6th, 13th, 20th, 27th) will be:

- Week 1: Does science need God? Scripture or science? Is the Big Bang compatible with a Creator God?
- Week 2: Does physics prove God? Does the Anthropic Principle prove God exists? Are miracles contrary to science?
- Week 3: What is life? Would extraterrestrials need to be baptized? Why is there natural evil?
- Week 4: How do we understand the end of the universe? Is the Resurrection contrary to science? Can science explain consciousness, free will, and the soul?

Sound intriguing, don’t they?

Join us for any or all of the presentations each Monday night in June at 7pm

Fathers’ Day

Although Mothers’ Day became an official U.S. holiday in 1914 by means of a Congressional Proclamation, Fathers’ Day (June 19th this year) has more recent roots:

In 1924, President Calvin Coolidge recommended that it should be celebrated but stopped short of declaring it a national holiday, and nothing official was pronounced by Congress. In 1957, Maine Senator Margaret Chase Smith accused Congress of ignoring fathers for 40 years while honoring mothers since 1914 with their special day. She is cited as saying that we should not just single out only one of
