She was born in 1656 and was the first person born in what is now the United States who eventually became recognized as a saint in the Catholic Church. Who is she? See page 5 for the answer.

The Holy Family Parish Prayer

May God Bless each family present,
And bless our entire Holy Family Parish.
Make it like the family of your Son.
May our moments of sorrow,
give way to the seasons of joy.
May the memory of harsh words fade before the warmth of a loving touch.
May the tears of sorrow be replaced by the music of laughter.
May resentment be banished from our families,
and may forgiveness reign in our hearts.
Today and everyday. Amen!

Saint Kateri Tekakwitha is the first Native American to be recognized as a saint in the Church. Her mother was an Algonquin, but was captured by the Mohawks and took a Mohawk chief as a husband. Their daughter, born in 1656, was left an orphan when the rest of her family died during a smallpox outbreak.

At age 19 she converted to Catholicism, which was an unpopular decision with her neighbors. They spread rumors that she was a sorceress so she was forced to move to a Christian native community in what is now Canada supported by the Jesuits. She took a vow of chastity, often fasted, and continually prayed for the conversion of her fellow Mohawks.

She became ill and passed away at the age of only 24 in 1680. The name she took at her baptism, Kateri, is the Mohawk form of Catherine, which she took from St. Catherine of Sienna. She was canonized by Pope Benedict XVI and is the patroness of ecology and the environment, people in exile and Native Americans. Her feast day is celebrated this month on Saturday, July 14th, the same day as our ceremonial groundbreaking!
