

## FIELD TRIP PERMISSION FORM

The purpose of this form is to keep on file in our school office a copy of each child's permission slip for field trips. This prevents parents from having to sign and return a form each time their child is going on a field trip. Of course, you will still be notified if your child is going to be leaving our campus for a field trip. You **WILL NOT** have to give your permission since you have already signed this form. This permission form is good for this current school year only. The only reason you would need to notify the school regarding individual field trips is if you **DO NOT WANT YOUR CHILD TO GO ON THAT PARTICULAR FIELD TRIP**. Please ask the teacher questions concerning the field trip before you say your child can't participate in the field trip. Children learn by going and seeing. Please allow your child to be a part of each school activity so he/she will get more out of their school experiences.

I give my permission for my child, a student at St. Scholastica HSC Academy to go on field trips and/or short excursions during the current school year that the teacher may deem necessary. All precautions will be taken to prevent any accident, and I do hereby release St. Scholastica HSC, St. Elizabeth Ann Seton Catholic Church, St. Cloud Diocese, its agents or employees from any liability resulting from any accident involving my child while on a field trip or class excursion. I assume full responsibility for any damage to person or property caused by my child or ward. I further expressly agree that in a disciplinary action, at the discretion of the sponsor(s), my child or ward may be returned home at my expense. In case of emergency, I hereby authorize a representative of St. Scholastica HSC Academy to seek medical attention for my child.
