## **SCHOOL STRATEGIC PLANNING**

As previously shared, Father George has instituted a strategic planning process to lay the foundation for the next 100 years of success for St. Paul's Church and School. To help plan our future, St. Paul's has retained HolyCow! Consulting, a firm recognized for helping religious institutions across the country evaluate their existing strengths and opportunities for improvement.

The "Listening Post" survey, will be shared electronically next Wednesday the 12th. It will help us to collect and understand the range of views that exist within the St. Paul's Catholic School family and the possibilities, willingness, capacity and energy for moving--and improving-- into the future.

We ask each parent to complete the survey link on the 12th. Once you complete the survey, you can send your child's teacher a screenshot or print out of the "thank you for completing the survey" page, and the child will earn a dress down day Thursday the 13th OR Tuesday the 18th!
