FR. TOM’S CORNER

Dear All Saints Family,

Happy Easter! I hope each of you and your families are well. It goes without saying that these last 40 days won't soon be forgotten and still we are not quite out of the woods. Yet even in the midst of a global pandemic we can celebrate the Good News that Easter brings. The fact that this pandemic fell during the time it did, only makes the Resurrection that much more meaningful and real. On Holy Thursday I sited a quote from J.R.R. Tolkien's Lord of the Rings Trilogy. The quote comes from one of the main characters in the book who is overwhelmed by the darkness of the times and by the task he is asked to perform. Frodo in a moment of despair says, "I wish it, need not, have happened in my time,' To which Gandalf replies, "So do I, and so do all who live to see such times. But that is not for them to decide. All we have to decide is what to do with the time that is given us." It is no accident that each of us was born into these times. Every age has its challenges but as Christians we are blessed to be given the tools that help us weather in any storm. We are given a faith in God and a belief that each of us will be granted a bodily resurrection if we repent and believe in the Good News. That simple fact gives us a totally different perspective on life and a world view vastly different from the person who believes this life is all they can look forward to. We really only have two choices now, to live in fear and anxiety every waking moment or radically trust that God will provide for our families and friends. What will you do with the time God has given you? Let us place our trust in Him alone. And let us celebrate these next 8 days and rejoice that He has Risen!!

God bless,

Fr. Tom

**WHY REGISTER?:** There are several reasons why you should register at a parish. Being registered establishes evidence of your presence in church, provides proof of sacramental participation, offers spiritual benefits, community involvement, and it demonstrates financial commitment. If you are unsure if you are registered at All Saints, call the office. If you would like to register, there are forms on the table in the vestibule, in the office, or on our website at www.allsaintscsus.org.

**EASTER LILIES …**

Easter lilies did not exist in North America until about 100 years ago. The white trumpet lily, which blooms naturally in springtime, was introduced here from Bermuda by Mrs. Thomas P. Sargent. The popular name “Easter lilies” comes from the fact that they bloom around Easter time. They have become associated with Easter as much as poinsettias are with Christmas. In early Christian art the lily is a symbol of purity because of its delicacy of form and its whiteness. For the same reason it serves well as a symbol of resurrection.
