Youth News – Invite Your Friends To Join Us On Our Summer Journey Towards Excellence

How important is it to become capable of teaching? St Paul along with our Bishop feel it is very important! See Hebrews 5:11-14:

“About this we have much to say, and it is difficult to explain, for you have become sluggish in hearing, Although you should be **teachers** by this time, you need to have someone teach you again the basic elements of the utterances of God. You need milk, not solid food. Everyone who lives on milk lacks experience of the word of righteousness, for he is a child. But solid food is for the mature, for those whose faculties are trained by practice to discern good and evil.”

Stewardship

Each of us has been given special gifts to use to answer the call to build the kingdom of God. Stewards understand their responsibility to share their gifts and talents with their neighbors, their church, and their world. This sharing brings deep joy. Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. -Peter 4:10

Listening

We need to practice the art of listening, which is more than simply hearing. Listening... is an openness of heart which makes possible that closeness without which genuine spiritual encounter cannot occur. Listening helps us to find the right gesture and word which shows that we are more than simply bystanders.

Reflection: Are you good at listening? If we are to receive God's mercy, we must be willing to listen to him and each other. Take extra time and effort to do both this week.

The Augustine Institute, a Catholic Company dedicated to education, created a Website-based education program that parish staff and individual parishioners can use. It includes videos for faith formation, CD's for on line listening and e-books. Many, many highly informative materials by well-known Catholic Authors and Clergy.

The institute also provides "paper" or physical educational material – many churches have a kiosk or rack to display several books, CD's and pamphlets along with donation box.

Please remember St. Boniface in your estate planning. For very competent help with this contact Mr. Mark Henry at the Diocese at 903-617-4183

Escuchar

Necesitamos practicar el arte de escuchar, que es más que simplemente escuchar. Escuchar... es una apertura de corazón que hace posible que la cercanía sin la cual el genuino encuentro espiritual no pueda ocurrir. Escuchar nos ayuda a encontrar el gesto y la palabra correctos que demuestran que somos más que meros espectadores.

Reflexión: ¿eres bueno escuchando? Si queremos recibir la misericordia de Dios, debemos estar dispuestos a escucharlo a él y a los demás. Tómese el tiempo y el esfuerzo adicionales para hacer ambas esta semana.

El Instituto Agustín, una empresa dedicada a la educación católica, creó un programa de educación basada en la página web que el personal de la parroquia y feligreses individuales pueden utilizar. Incluye vídeos de formación de fe, CDs para escuchar en línea y libros electrónicos. Muchos, material altamente informativos por muchos autores católicos conocidos.

El instituto también proporciona "papel" o material educativo físicos- muchas iglesias tienen un kiosco o un estante para mostrar varios libros, CDs y folletos junto con la caja de donaciones.

Por favor, recuerde San Bonifacio en su planificación de sucesión.
