Health Corner

Why Cholesterol Matters? High cholesterol can put your cardiovascular health at risk by effecting your heart and blood vessels. The body manufactures cholesterol, a waxy, fat-like substances that is used to make cells, hormones, vitamin D and more. It is found in cell walls throughout the body and travels through the bloodstream in little packages called lipoproteins- HDL and LDL. Your health team can guide you towards the best treatment. Until then; manage your diet and your weight, exercise, quit smoking and take your medications.

Youth News – Invite Your Friends To Join Us On Our Advent Journey Towards Excellence

Sunday Scripture Highlight

We see the urgency for us to put our powers to good use in today's Gospel passage from Luke. Our Lord tells the rather chilling parable of the rich man who ignored poor Lazarus during their lifetimes. At the moment of the rich man's death, he goes down to the netherworld while Lazarus is taken to the eternal joy and comfort in the bosom of Abraham. The rich man keenly regrets his indifference towards the needs of Lazarus, but it is too late for regret. His choices have played out, and now the rich man will face the consequences of his failure to use the gifts God gave him.

Our Lord makes this clear to us over and over in the Scriptures that the care for the poor is not a trifling matter. We are free to ignore these teachings and live instead for ourselves. But there will be tragic results for us in the end. And, because we are made for eternity, living selfishly on this earth doesn't really bring us true happiness anyway.

So how can we use our great powers for great good? By embracing a stewardship way of life. By putting God first in all areas of our lives — in the way we spend our time, the ways we share our talents, the ways we give of our financial resources. Stewardship living calls us out of our comfort zone and into commitment to the Lord and the life of a disciple.

Stewardship

Our First Reading is again from the book of Amos. It warns of the danger of complacency. "Thus says the Lord the God of hosts: Woe to the complacent in Zion! Lying upon beds of ivory, stretched comfortably on their couches..." The Lord says that because of the complacency of the people, "They shall be the first to go into exile, and their wanton revelry shall be done away with."

The tendency towards complacency is perhaps an even greater danger for us in the modern age with so many conveniences (fast food, remote controls, Amazon Prime, to name a few) and so many possibilities for diversion and entertainment (cable tv, laptops, tablets, cell phones, and the myriad other devices we all use).

The Lord's message could not be any more clear — we must get off the couch and put our powers (the many gifts He has given us) to work!
