Several important items:

1. Family Rosary. I call upon everyone to pray a Family Rosary for the three days before the election, begging God to give us a godly government for the sake of our country and the whole world. Let us remember that through our Lady, God has given us a spiritual sword to fight the evil of our time as soldiers of Christ. That sword is the Holy Rosary. Please join my family in this important prayer.
2. It is very unfortunate that my light case of COVID has isolated me for these two weekends and kept us from Holy Mass together. Yet Diocesan guidelines and medical advice guides me to start up Church activities on Wednesday, Nov. 4. I invite everyone to come together again at 6:00 p.m. Wednesday evening to give thanks to God.
3. The good news is that my case has been very light with only two days of symptoms.
4. Concerning this Sunday and Monday's All Saints Day Holy Day of Obligation, please remember that you are dispensed from active presence in Mass. I recommend that you watch these Masses virtually or attend neighboring parishes.
5. Beginning with Wednesday, Mass, Nov. 4, I will have our special intentions book for All Souls' Day intentions.
6. Concerning finances after missing two weeks of Masses, "Our concern is not with your share of the church's budget. What matters is God's share of your income."
